## OBJECTIVE:

Aspiring UI/UX Developer with a strong foundation in user-centered design principles, wire framing, and prototyping. Proficient in design tools such as Figma, Adobe XD, and basic front-end development using HTML, CSS, and JavaScript. Eager to contribute creative problem-solving and a keen eye for design to build engaging and intuitive digital experiences. Seeking an opportunity to grow in a collaborative environment where I can apply my skills and continue learning in the field of UI/UX design.

---
